

Custom Profile Wrapping

PROFILES & COMPONENTS

Accuwrap Custom Profile Wrapping enables designer's unlimited possibilities in matching panels to moulding.

Eliminating warping and mineral staining as well as offering 100% yield, with laminate matches in the most popular **AMERICAN RENOLIT** and **COVA** designs.

Veneer, Paper, Vinyl and **Polyester** wrapped with an available **EVA, PUR** or **PO** glue allows **Accuwrap** to profile wrap on **MDF, Solid** or **Finger jointed Wood, PVC** and **Aluminum**.
